while i can see that my hair is not as thick as it should be, it has maintained it
like all americans, i want to solve my problems with the least amount of effort, study or inconvenience.

"how much of a drug someone took or how long ago they took it are beyond the analyst's control"

the commission rate ranges from 4 percent to 7 percent, depending on the clinic's overall sales for the week

that's where we need to concentrate our energies
